

## YOU'RE ONE STEP CLOSER TO AN AWESOME RESUME.

Enter your info below! Try to include as many details as you can, but don't worry if you have to leave some sections blank.

### FIRST THINGS FIRST:

Are you seeking a general resume? That means it's not really specific tied to a certain industry, but it's a mix of your professional experience. What type of positions will you be applying for next?

Is this resume industry-specific? If so, what type of positions will you be applying for? I'll use the information you provide to tailor your resume for the positions.
